

# Privacy Policy - Byosada Honten Co., Ltd.

## I. Acquisition of Personal Information

Byosada Honten Co., Ltd. (hereinafter referred to as “the Company”) acquires personal information through appropriate and lawful means.

When users make inquiries through the “Contact Us” function on this website, the Company may collect personal information from them.

## II. Purpose of Use of Personal Information

The personal information entrusted to the Company by users will be used for purposes such as contacting users regarding the Company’s services and support, providing information about products, and responding to inquiries by sending emails or related materials.

## III. Management and Protection of Personal Information

The Company appropriately manages personal information and implements necessary and appropriate security measures to prevent unauthorized access, leakage, loss, or damage.

## IV. Compliance with Laws and Regulations and Continuous Improvement

The Company complies with applicable Japanese laws and other relevant regulations regarding the handling of personal information.

In addition, the Company regularly reviews this Privacy Policy and strives for its continual improvement.
